Practice Ice Application

Advance payment Deadline: Friday, May 23, 2008

The Practice Ice schedule is listed below. Practice sessions are 20 minutes long at a cost of \$8.00 in advance or \$10.00 for walk on, if available. There will be no music played during practice sessions due to the number of skaters and the limited amount of time. Practice Ice sessions are open to all skaters. Sessions will be limited to approximately 20 skaters and absolutely no more than 25. Sign up is on a **"first come, first serve"** basis. If a session requested is full, skaters will be assigned an alternate session - assuming one is available. Skaters will be assigned to the session/s signed up for unless you receive an email stating otherwise. **Please do not call, fax or email to reserve a session.** Practice Ice applications must be **mailed** to the address specified below. We must have your money in hand to be placed on a session. **Skaters are limited to two (2) sessions they may sign up for.** A confirmation list will be posted on Summit Figure Skating Club's website at (www.summitfsc.org) **after** the Friday, May 23, 2008, deadline.

The practice ice applications must be **received** (this means in our hands and not postmarked) by Friday, May 23, 2008, to be counted as "in advance". Applications received after that date will be charged the walk on rate, assuming slots are still available. **No credit cards will be accepted.** Make your check payable to Summit FSC and send applications to:
